

35W 122 dB

TM-35

Order no.: 0170990

PRODUCT INFORMATION

Attention guaranteed!
With our range of reliable megaphones, we provide the perfect solution for each application. A few basic selection criteria will help you to choose the right unit. The operating range surely is the most important one. Here, the following applies: with increasing sound pressure (in dB), the operating range of the megaphone increases, too. Furthermore, it is possible to choose between megaphones with integrated microphone, with hand-held microphone or units with an additional wireless microphone. Each megaphone from MONACOR is supplied with power by standard batteries. As an alternative, a few units also feature a 12 V connection. Size, weight and power supply are further selection criteria for choosing the right megaphone. With these comparison criteria, you will surely find the ideal megaphone meeting your individual requirements very quickly.

Megaphone

- Hand-held microphone with helix cable
- Lockable talk button and volume control at the microphone
- Jack for external 12 V battery operation
- Siren, switchable
- Connection cable for motor vehicles
- 8 mm threaded bushing for mounting onto a stand

Safety Notes and Warning Messages

Never operate the megaphone close to anybody?s ears; the amplified voice or feedback noise may cause hearing damage.
The unit is suitable for indoor use only. Protect it against dripping water and splash water, high air humidity and heat (admissible ambient temperature range: 0 - 40 °C).
Remove the rechargeable batteries or batteries if the device is not in use for a longer period of time (e.g. more than a week). This avoids possible damage through leaking batteries.
If the unit is to be put out of operation permanently, take it to a local recycling plant for a disposal which is not harmful to the environment.
Batteries and rechargeable batteries must not be disposed of with household waste. They must be disposed of in accordance with local regulations for hazardous waste.
